**STIPULATED REQUEST TO CONTINUE
CASE MANAGEMENT CONFERENCE
[AND ~~PROPOSED~~ ORDER]**

Crtrm: 3 (Hon. Jeremy D. Fogel)

1 On September 30, 2010 counsel for the parties appeared before this Court in a case
2 management conference. At this hearing the parties notified this Court that they were nearing
3 settlement and requested a brief delay in certain dates to permit them time to reach an agreement.
4 This Court postponed the claim construction hearing approximately one month to December 6,
5 2010, suspended the claim construction briefing schedule, and ordered a further case management
6 conference on October 15, 2010.

7 The parties have made progress since the September 30 hearing, and continue to work
8 diligently toward settlement. There remain, however, a few issues to be resolved in the drafting
9 of a final agreement. The parties believe that these issues can be resolved with a little additional
10 time. To permit the parties time to resolve these remaining issues the parties jointly request the
11 October 15, 2010 case management conference be continued to November 11, 2010 at 11:00 am,
12 or such other time thereafter as the Court sets. The parties recognize that the claim construction
13 hearing and briefing schedule will need to be reset at that time should the case not settle.
